# JOHANNES WTENBOGAERT

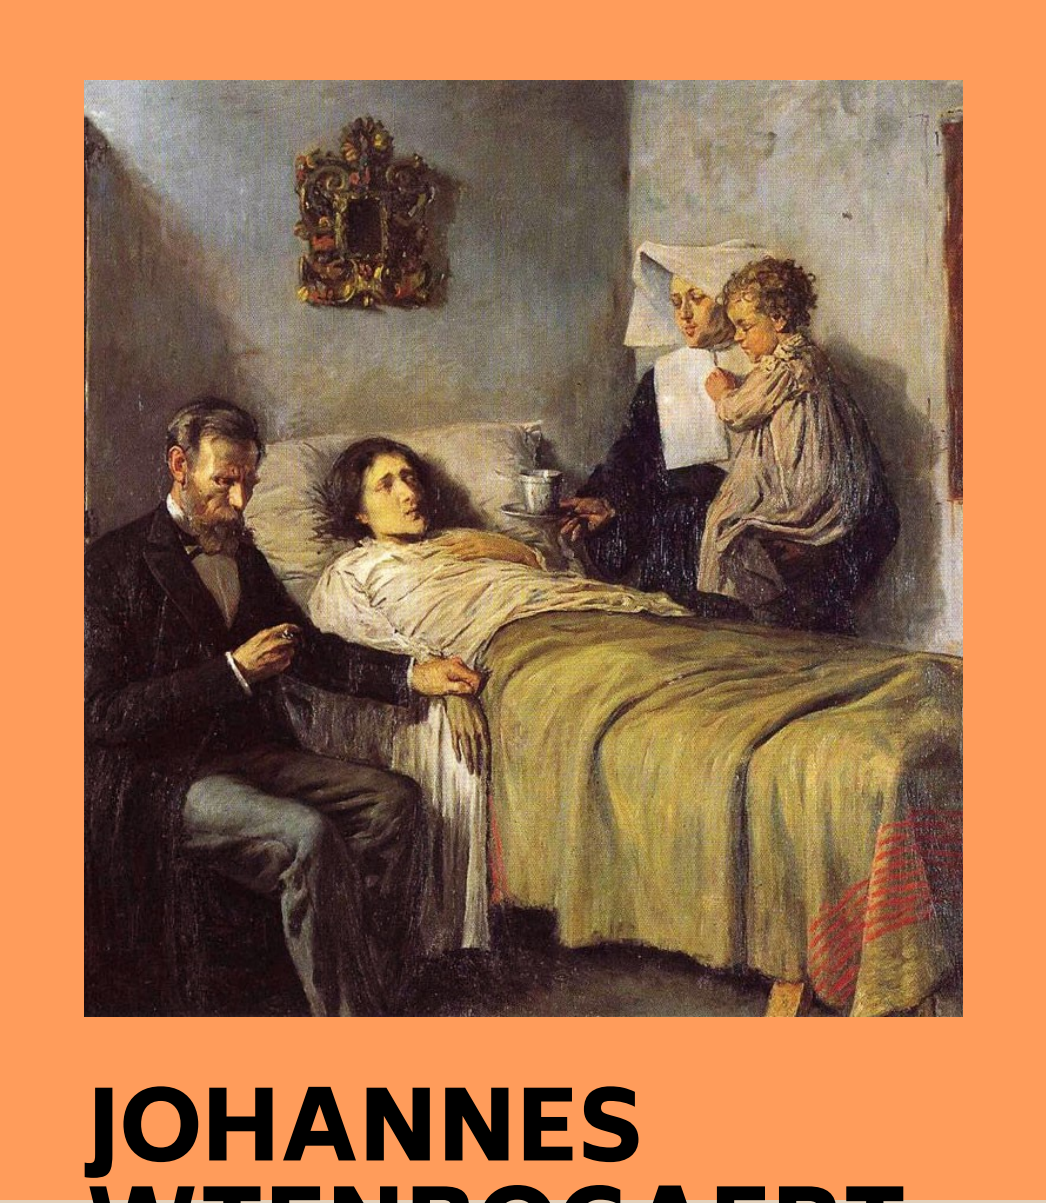

Rembrandt van Rijn, 1633oil on canvas

The Amsterdam merchant Abraham Anthonisz Recht was a convinced Remonstrant and great admirer of Wtenbogaert. He commissioned this portrait from Rembrandt in 1633 and hung it in his home. Wtenbogaert looks at you with a penetrating gaze, he is clearly a man of moral authority. And, a man of the Word, as the open book suggests. But exactly which book it is, remains unknown.
